

Trends in African finance ministries' social media usage

We have prepared a SlideShare presentation that highlights the response levels achieved recently by African finance ministries in their social media activities. You can view the presentation at:

<http://www.slideshare.net/johnleo/african-finance-ministries-social-media-and-public-financial-management>African finance ministries, social media and public financial management. This supplements the material presented in our recent blog. [African-finance-ministries-social-media-and-public-financial-management](#)
